Good Morning, Dr. Lee,
Thank you for the introduction!

Good Morning, Ms. Cabanes,
I am excited with the opportunities to engage LAWorks© to support district initiatives.
Ms. Williams will reach out to you to set up a time for us to meet (in-person or via zoom).

Hi Superintendent Tran,

I wanted to introduce you to Nahtahna Cabanes from LA Works who has been introducing the team from audible.com to various civic leaders around Culver City (where one of their offices now resides). I had a very interesting conversation with the team and suggested that they speak with you about AVPA and other places where you may be able to develop a relationship over the years.

Hoping you can connect,
Daniel

Good morning Daniel,

Thank you again for taking the time to sit down with the Audible team and discuss what is happening in your city. I am now in the process of meeting with other Culver City leaders to get a fuller picture of the needs of the city and how Audible might be able to make an impact.

I have already reached out to Paula Amezola and Dr. Kelly Kent from CCUSD and Vote16 Culver City to try to set up meetings with them but I would love to also chat with the new Superintendent and Dr. Harry Grammer from New Earth.

I know in our conversation you mentioned you might be able to make introductions. Would you be willing to make an e-intro for me to both of those individuals?

Would love to learn more about their work and be able to present to the Audible team a well-rounded picture of the great things happening in your city.

Any support would be greatly appreciated!

All my best,

Nahtahna Cabanes ([she/her/hers](#))
