I agree. I'll ask the teachers to promote it.

Hi Elsy,

It seems the best route to get kids identified is via the 8th grade English teachers. Since the enrollment must be done online only, we cannot hand out registration forms. As far as I know, CCHS has not provided a flyer of sorts announcing the class and inviting families to apply. I suppose we can print off the first sheet of the summer school info they have online and either ask the ELA teacher to hand it to the students and/or mail them home. What are your thoughts?

Hello middle school English teachers and Counselors!

We have an amazing opportunity for incoming 9th graders- the English 9 honors bootcamp this summer! This bootcamp will support students in the transition between middle school and high school expectations for honors classes, and support those students who want to try honors English, but are still unsure!

This summer we will cover reading, writing, and speaking and listening skills, as well as provide time for students to get support on the summer assignment!

Unfortunately, we can only have this incredible opportunity if we have enough students enrolled. Since I'm not on the MS campus, I can't promote, which is why I'm reaching out to you! Please encourage students who:

- 1) Are not currently in honors but would like to take it
 - 2) Are currently in honors and need skills review
- or
- 3) are nervous about the MS-HS transition
- to apply!

The link with the application information is on the high school website and at the link below:

<https://cchs.ccusd.org/apps/news/article/1036828>

Steps to apply include:

1. Students must complete a CCHS Bootcamp Enrollment form online (CCHS Website) by **May 16th**. Click here to fill out Google Form: <https://forms.gle/qUhJk3m3w9hCje7F8>

2. Complete West LA enrollment form #1 by May 16th and turn into the Guidance Office (please include West LA course Name on this form ONLY)

3. Attend Mandatory Orientation on one of the following dates: May 20th, May 21st, May 22nd, or May 23rd after school. Students will be notified prior to meeting dates of location.

Thank you so much for your support of kiddos as they make the leap from middle school to high school!

Happy Friday!
